Statement of intent

Educational achievement and subsequent life chances for Looked After Children (LAC) and previously-LAC (PLAC) are a significant focus. Learners who are looked after require careful consideration and positive discrimination to ensure that their life chances are equitable with their peers.

The Consortium Academy Trust (the Trust) endeavours to provide positive experiences and offer stability, safety, and individual care and attention for all our learners. With this in mind, we:

- encourage learners to reach their potential and to make good progress in relation to their personal, social and emotional development
- ensure that learners enjoy high quality teaching and a curriculum which is aspirational but meets their needs and the requirements of legislation
- plan support for LAC realistically and use the academy's resources efficiently to ensure their needs are met
- promote a positive culture in all aspects of school life
- help learners develop their cultural, moral and social understanding
- actively engage in processes designed to support LAC learners and their 'families'
