INSPIRING YOUNG PEOPLE

Your Principalship Packet

July 2022

- News from Yipiyap
- Yipiyap at your school/college
- Feedback from your learners and staff

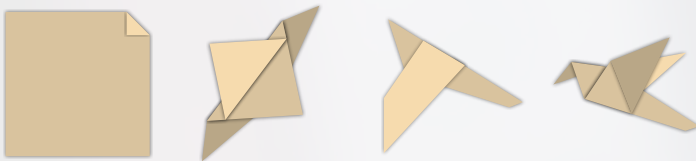

What's Yipiyappening!

We've been shortlisted!

We're delighted to have been shortlisted for two of the Tutors' Association National Tutoring Awards: **Best Tuition Business for Tutor Support**, and **Best Collaboration with a School** for our work with Activate Learning on the Yipiyap Upgrade programme.

The winners will be announced on Friday 8th July, so watch this space!

Celebrating a decade of Yipiyap

10 years
of inspiring young people

90,000+ hours
of support every year

270,000 students
with improved life chances

Our favourite quote this term

"When **Alexandra** helps us, she **helps us** understand. I've got **better in English** due to these sessions, plus above all that, she's **lovely**"

- Alexandra's student

Double the impact of your School-Led Tutoring Grant with Yipiyap support that meets both the academic and pastoral needs of your learners

Schools everywhere are seeing reduced confidence and an increase in persistent non-attendance in learners who are finding the return to the school routine post-pandemic extremely challenging. Yipiyap helps students of all ages and abilities **regain the confidence** to get back into education by partnering with schools to meet the individual needs of each learner.

Sessions are based around academic tutoring support with our **relatable peer mentors**, many of whom can empathise with students having studied through the pandemic themselves. In this way they act as informal mentors and **great role models** to young people who are struggling to re-engage in their studies or who simply feel they have gaps in their learning due to disruption over the last 2 years.

Whatever your setting, we can help your SLTG funding maximise impact on learners' outcomes.

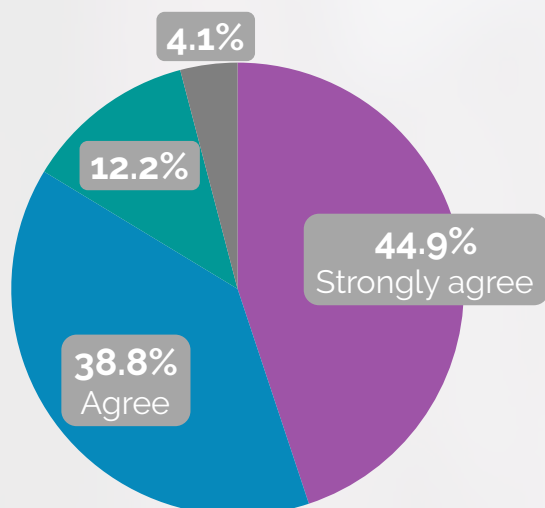

Schools and colleges are embracing Yipiyap On Demand

17+ schools signed up for 2022-23 so far

Over 250 GCSE Maths & English videos, with more being released every week

New for 2022-23: Pastoral videos to **support student's wellbeing**

Find out more at yipiyap.co.uk/on-demand

Our Voice at The Consortium Academy Trust

Your Yipiyaps

Centime: I have enjoyed my placement at Howden School as I've had the opportunity to help younger students and build positive relationships. The incredible teachers I have had the chance to work alongside with have given me great advice. Throughout my placement there has always been a really friendly and welcoming atmosphere.

Firth: My time at CHS has been an incredible experience. The staff have been immensely supportive and helpful, the students are wonderful and have fully accepted my support. My confidence has increased drastically and I feel my skills have improved a lot. I'm so thankful to all of the staff and students at CHS.

Tom: Being the location of my university halls during my first year of university, Cottingham holds a special place in my heart; even more so now that I work for the High School. The quality of working life can usually be predicted by the quality of the people within the workplace, and Cottingham High is home to the most characterful and brilliant teachers I have come across. Three months on, I proudly hold both professional and platonic relationships with members of staff whilst meeting some brilliant students who'll be remembered far beyond my placement. I'll miss many of the staff members but most importantly the students.

Josh: I have greatly enjoyed my gap year tutoring maths to key stage 2 and phonics to key stage 1 at Croxby primary school. I have enjoyed building good, supportive relationships with the pupils, that I have taught throughout the academic year, in a friendly and welcoming school.

Ethan: My time at Holderness Academy has been a brilliant experience, the staff and students never failed to amaze - and are always polite and courteous. The students are resilient and the majority are dedicated to bettering themselves, which makes for a great learning environment. Every staff member I've had the pleasure of dealing with has been so friendly and so supportive as well!

Isabella: Throughout my time at Holderness Academy I have been working closely with groups of 4/5 students at a time with the goal to help them improve their English Language and Literature grade. In order to do this I observed classes and picked out who I believed to be the weakest students, this has significantly improved their work in their normal English lessons as they feel more confident overall with the basics.

Rebecca: Since joining the Wolfreton Team in September, I have learnt so much and met so many new people who I have thoroughly enjoyed working with. Forming professional relationships with staff and students alike has given me a huge confidence boost and provided me with invaluable skills in leadership, teamwork, communication and patience.

Amy: As the end of my placement at Winifred Holtby draws nearer, I can reflect on my time here with nothing but pride and fulfilment. Pride in myself, pride in the students I have supported, and pride in Yipiyap itself for having such a positive impact on the schools we work with. Tutoring younger students in my most favoured subjects has been the most rewarding experience, even with the challenges that have arisen – I could not be more grateful to have been given this opportunity.

Our Voice at The Consortium Academy Trust

Connor: Since my time at Winifred, I feel I have progressed greatly compared to when I started. I feel that I really have made a difference to most of my students. I aim to end the year satisfied with how much I have progressed

Emily: I have loved tutoring at Winifred Holtby over the past three years, and I feel that I've gotten so much out of it, both in a professional capacity, and a personal one. The science department have also been very welcoming, and had a huge impact on my time here. My favourite part of my experience at WHA was having the opportunity to tutor students of differing abilities, and seeing them all improve in a variety of ways. It has been very rewarding!

Jess: My experience with Yipiyap has been truly life changing. Being able to inspire young people, and see them learn and grow is the most important thing. With amazing support from all the staff both at the placement and Yipiyap, I have seen myself grow with confidence and fall in love with teaching.

Sophie: Working in a school has been amazing. I have built good relationships with the pupils and I have also grown as an individual. I have enjoyed passing my knowledge onto the students and have found it very rewarding to see the progress of the students particularly when I have worked with them all year.

Adam, your Regional Director

It has been great to work with The Consortium trust this year. For 1 having additional schools that have decided to join the project but also the fact that we have been able to be a continuous form of assistance for school. It has been a pleasure communicating with all the different schools for different requests from additional hours the tutors to help out with to after school revision sessions. It has been great to hear all the feedback from tutors about how they have found their times at each individual placement and all i can say is thank you for making them so welcome.

Anne Morris, Yipiyap CEO and Founder

It's wonderful to read about how all the Yipiyaps feel such a huge sense of achievement at the work they've done at the TCAT schools this year. Comments like incredible, amazing, life-changing, brilliant teachers etc. are written with real feeling and it's clear that your teams have brought the best out of the Yipiyaps again. Thank you for your continued support and another great year.

How long have you worked with your Yipiyap? (1st session/<1 month/1-3 months/>3 months) > 3 Months

[Choose Number 1-5, where: Strongly Disagree (1), Disagree (2), Neutral (3), Agree (4), Strongly Agree (5)]

"I enjoyed today's session"	<u>5</u>
"I improved my understanding of today's topic"	<u>5</u>
"I had a positive attitude in today's session"	<u>5</u>
"I feel confident asking my tutor for help"	<u>5</u>

What was the best thing about today's session and how could future sessions be better?
learning about cells and biology.

Tutor comments on student feedback:
This student really enjoys biology and had a really positive attitude - especially since this was a lesson 6 session. They enjoyed recapping the basics.

"The student engaged in this session"	5
"The student had a positive attitude"	5
"The student independently asked for help"	5

Which topic(s) were covered today, and how did the student progress in this session?

We went through a writing exam question to see how the questions are laid out and what they expect. We created an answer as a group using different techniques to make the question easier trying to not overcomplicate their answers. They then had a go at creating an answer on a different topic and I marked through them with them so they could see what mistakes they were making and what improvements they could make.

"The student engaged in this session"	5
"The student had a positive attitude"	5
"The student independently asked for help"	5

Which topic(s) were covered today, and how did the student progress in this session?

We went through some new vocabulary and did some phonics listening to the words and deciding if they needed accents and where they would go. We then listened to me reading out a paragraph and had to listen for the keywords and writing down how they thought they were spelt. We then talked about regular verbs in the present tense for the different verb endings and people. We also did some pronunciation practice.

Session online or in-person?	in person

How long have you worked with your Yipiyap? (1 st session/<1 month/1-3 months/>3 months)
--

> 3 months

[Choose Number 1-5, where: Strongly Disagree (1), Disagree (2), Neutral (3), Agree (4), Strongly Agree (5)]

"I enjoyed today's session"	5
"I improved my understanding of today's topic"	4
"I had a positive attitude in today's session"	5
"I feel confident asking my tutor for help"	5

What was the best thing about today's session and how could future sessions be better?

I learnt a lot more in depth about how the Spanish speaking exam works.

Tutor comments on student feedback:

The student cleared up some misunderstandings about the speaking exam and now has a clear plan of what they need to do to prepare for the speaking exam. They engaged well in this session and is prepared to now do these tasks to make the speaking exam a bit easier.

"Overall, the student made progress today"	5
"The student is confident in this topic"	4
"The student engaged in this session"	5
"The student had a positive attitude"	5
"The student independently asked for help"	5

Which topic(s) were covered today, and how did the student progress in this session?

We went through preparing for the general conversation part of the speaking exams and different techniques of how to approach the exam. We also started to look at examples of the questions and how confident they were in answering the questions. We then looked at how the speaking exam is marked.
